

# iKnow2

## Key sales information at a glance!

For Sage PFW

Whether you are in the office or on the road, *iKnow2* provides key sales information to your finger tips, and enhances your effectiveness by keeping you 'in the know' with current customer activity, sales information and real time trends in your customers buying patterns.

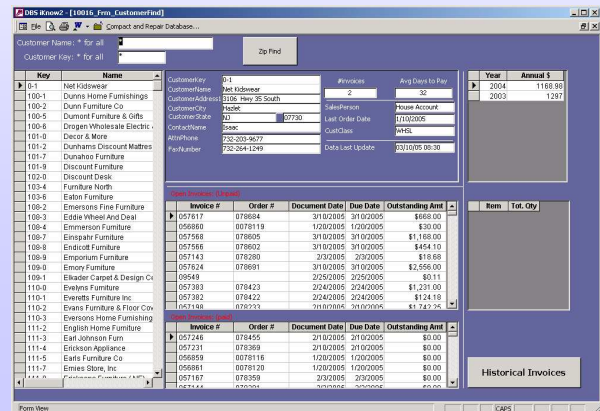

### Product Highlights:

#### Sales Information:

- Provides contact information in one spot
- Average days to pay
- Sales volume year over year
- Unit sales by Year and by Item
- Open and Paid invoices at your finger tips

#### Zip Code Search:

- The Zip Code Search is the ultimate tool to improve efficiency and evaluate competing customers.
- The Zip Code Search allows you to list all your customers, and contacts if ACT! is installed, within a given radius of the entered Zip Code.
- A quick click on the customer and you have all the **Sales Information** in a snap.
- This product is invaluable for trade shows where you need to quickly assess a new customer's potential against your current customers.
- This product saves time and money when planning a sales route or if you are cancelled at the last moment. A quick look-up and you are back in business.

Sales Information summary screen

#### Road Warrior:

*iKnow2* is designed to go on the road. It 'snap shots' the key information to a local database, allowing your mobile sales force to be 'on the road.'

- No more calling in for pre-sales preparation
- Laptop ready. Just sync and you're off making money!
