

iPay2

For Sage PFW

By Dynamic Business Solutions, Inc.

Enjoy complete peace of mind with Sage Payroll Outsourcing and iPay2 – an interface that imports information from Sage Payroll Outsourcing directly into Sage PFW's Bank Book Module.

Product Highlights

- Ability to view the import file before committing the data to Sage PFW
- Agility to select a file from anywhere on the system or network
- Ability to view the 'processed' files
- After a file is processed it is automatically moved to a saved directory that you define, the file is renamed with the date the file was processed
- Data is sent to Sage PFW Bank Book as if you entered the data manually, ready for corrections or to be posted

Benefits of iPay2 Integration with Sage PFW:

- Direct import into sage PFW Bank Book
- Error Trapping for missing GL accounts
- No re-keying of data
- Quick, easy and AFFORDABLE!

Error trapping for missing GL accounts.

Main import screen.

We give you the Journal entries to make BB Corrections a breeze!
